readysc™
a division of the
SC Technical College System

readySC™, an integral part of the SC Technical College System, is a key component of South Carolina's economic development engine. readySC™ focuses on the recruiting and initial training needs of ***new and expanding organizations*** in South Carolina. The program leverages the system across the state to provide recruiting, assessment, training development, management and implementation services to qualifying companies.

In order to qualify:

- Jobs projected must be permanent
- Pay represents a competitive wage for the area
- Benefit package must include health insurance
- Number of jobs created must be sufficient enough to allow readySC™ to provide training in a cost-effective manner

> **"I've had experience with training across many of our facilities, and what we have here in South Carolina is by far the best I've seen."**
