*Buy South Carolina* is an active supplier development program that connects South Carolina companies with in-state suppliers and vendors. The goal is to help our companies increase sales, and minimize costs and delivery times to stay competitive in today's economy.

### Your Small Business Advocate

South Carolina aspires to lead the nation in responding to the needs of small businesses. The Small Business Regulatory Review Committee is a group of eleven business owners who review all state regulations that may adversely affect small businesses. The success of small business is critically important to the economic success of South Carolina.
