GENERAL INFORMATION

NOTE: If you have lost your job, through no fault of your own, due to COVID-19, please use COVID-19 as the reason for layoff.

When answering questions – think, what would you do if COVID-19 were not part of the equation?

CARES Act: Coronavirus, Aid, Relief and Economic Security Act

PUA: Pandemic Unemployment Assistance

PEUC: Pandemic Emergency Unemployment Compensation

When will I start receiving the additional $600?

To date, we have not received any federal funding through the CARES Act, PUA or PEUC. Once a clear timeline is provided, we will communicate that out.

I have exhausted by regular UI benefits. Am I able to get more benefits?

If you have exhausted your regular UI benefits, you could be eligible for Pandemic Emergency Unemployment Compensation (PEUC) which would allow for an additional 13 weeks of benefits. At this time, the system will not allow an extension to be filed due to the system enforcing the standard 20 weeks of benefits ruling. You do not need to file an appeal. Once the PEUC is activated, as per DOL guidance, we will retroactively pay out benefits.

If someone is denied benefits because they haven't lived in SC long enough or haven't accrued enough to meet monetary requirements, will they be provided eligibility coverage under the CARES Act or PUA?

Individuals who do not have a sufficient wage history to meet the regular state UI monetary requirements may be eligible for PUA (Pandemic Unemployment Assistance) if they were separated as a direct result of COVID-19.

I was supposed to start a job, but didn't because of COVID-19. What amount do I put from wages?

You should report the actual wages you earned for the period you are being asked about. Individuals who do not have a sufficient wage history to meet the regular state UI monetary requirements or who were scheduled to start a job but couldn't due to COVID-19, may be eligible for PUA (Pandemic Unemployment Assistance) if they were separated from employment, or could not start employment, as a direct result of COVID-19.

ELIGIBILITY

General Eligibility

Eligibility for benefits can only be determined after you have filed a claim for benefits. There are several factors that affect your eligibility for benefits. They include but are not limited to your wages during the base period, your reason for separating from your employer, your availability to work, and more.

Eligibility under the CARES Act

The CARES Act provides PUA, which expands the pool of potentially eligible Claimants as follows:

- o Individuals who file a 1099
- o Self-Employed Individuals
- o Church Employees
- o Non-Profit and Governmental Employees
- o Independent Contractors
- o Gig Economy Workers
- o Claimants who have exhausted their regular UI Benefits

The CARES Act also provides for PEUC, which allots $600.00 weekly in Emergency Increase in Unemployment Compensation Benefits. This increase will also be applied retroactively to the CARES Act effective date.

CREATING A USERNAME/PASSWORD

System Message:

The Username you have selected already exists in the system. Please select another Username.

This does not mean **you** are already registered in the system. It means that username has been assigned to another individual. Usernames in the *Claimant Self Service Portal* must be unique. Try another username.

Security Questions:

Some of the prompts require a multi-word answer, such as what is your all-time favorite movie or what is your all-time favorite summer destination?

Please note that the answers cannot contain spaces or special characters so the answers will have to be compounded together such as TheGodfather or Stpetersburg.

I have created my username and password, but I got "kicked out" and sent back to the login screen.

Account creation is a two-step process. The first thing you do is create your "credentials" or username and password. When you complete this process the system will automatically close and send you back to the login screen. Do not be alarmed. This step is for your security.

On the login page you will enter your new username and password to reenter the system. This way your credentials are associated with all of your registration information.

FILLING OUT THE CLAIM

Resume my UI claim

If you log out or are timed out of the system, when you log back in to finish your claim you will see a link on the dashboard that says, *"Resume My UI Claim."* You will still have to proceed through the tabs you have already completed, but you will see that your information has been saved in the fields. Just click *Next* until you return to where you left off.

If I work for a company with franchises, do I select the location where I worked or do I select the headquarters?

Select the one that seems to be the correct employer – use the name and address listed on your paystub. If adjustments need to be made, we will contact you.

Who do I list as an employer if I'm self-employed, 1099, gig employees, etc.?

Use the name you provide when filing with the IRS.

If I don't have a federal EIN number what do I use?

Use your Social Security Number.

I am adding an employer to my employment history, where do I upload employer documentation while filing out my initial claim?

The last line of the screen says provide any supporting documents you have. Under the checkboxes there is a button labeled *Upload*. When you click this button it will allow you to select documents from your computer to upload into the system.

Where do I tell the system that I was laid off because of COVID-19?

When you are directed to the *separation* tab, the first question is reason employment ended. In that drop down menu, you will see two options related to COVID-19: *Layoff due to Coronavirus and reduced hours due to Coronavirus*.

What is my return to work date if I don't know?

Use your best guess. This can be changed later.

I am self-employed 501(c) and my earnings are taken from my personal income tax each year, therefore my gross earnings for the week are $0. How should I complete this field?

Because the system is not built for the self-employed, this field is a requirement for unemployment insurance. Fill the field with $1 to proceed to the next screen.

Do I have to pay income tax on my unemployment insurance benefits?

Yes. The system will automatically pay out the full benefit amount, for which you will have to pay federal and state income tax. However, as you complete the application you can choose, when prompted, to have taxes withheld from your benefits.

There are fields in the Work Search tab that won't let me click in them.

Click the magnifying glass in the blue square to the right of the *Kinds of Job Seeking*/*O*Net* field. In the pop up box you will be able to search different categories of work and then select the one that is most appropriate.

If the work search was waived for South Carolina why does it tell me I have to do two job searches in South Carolina Works Online System (SCWOS)? If I want to return to my job, why would I be required to do two job searches?

Due to the unusual circumstances of COVID-19, the weekly work search requirement is waived.

How do I answer the Able and Available Question?

Ask yourself: If COVID-19 was removed from the equation, would I be able and available to go back to the job I had before or accept a new job offer?

If yes, answer *"YES"*

If no, answer *"NO"*

Why is it asking if I have completed a job search since the weekly job search was waived for COVID-19 related claims filed March 15-April 18?

Because unemployment insurance is a temporary bridge while an individual tries to find other employment, our system provides this question for claimants who started receiving UI benefits prior to COVID-19. However, with the changes in state and federal law to assist during COVID-19, you can answer the question honestly. Answer *"yes"* if you have searched for work – we encourage you to use SC Works Online Services to conduct at least two job searches. However, if you answer *"no"* you will not be penalized for not completing a job search.

I got an error message telling me that my SSN was invalid. What do I do?

In order to proceed please remove your middle initial if you provided it. If you left the field blank, fill in your middle initial. Under the drop down box labeled *"Name: Change Reason"* select, *I misspelled my name*. Then click *Next*. Your information will be validated and processed by our system during off-peak times.

When I complete my claim, it is taking me to SC Works. Do I have to do the weekly job search?

Because unemployment insurance is a temporary bridge while an individual tries to find other employment, our system sends claimants to this site to do their required job searches. However, with the changes in state and federal law to assist during COVID-19, the work searches are waived. You will not be penalized.

I worked for an employer, but resigned to take a new job. Before my start date, my new employer told me that the job was eliminated due COVID-19. Can I still apply?

If you have a letter from the new employer with the intended start date then go ahead and file. You will originally be denied; however, you do not need to do anything. Please wait on our agency for further information once PUA is enacted.

CLAIMS PROCESSING

How long will it take to process my claim and get paid?

Due to volume of claims, please allow up to 21 days to process your claim; however, if you are deemed eligible, your benefits will be paid retroactively to the week you filed your claim.

What does "Issues Delaying Payment" mean?

When you initially file your claim, and it is being processed by staff, you will see an *ISSUES DELAYING PAYMENT* banner listed on the Claimant Homepage of your portal – this is standard.

What does "Pending Resolution" mean?

If you see a *"PENDING RESOLUTION"* issue, you do not need to do anything additional at this time.

What does "SSA Validation" mean?

If you see a *"SSA VALIDATION"* issue in this section, do not worry, this will resolve itself automatically.

My first weekly certification was processed as a waiting week, what do I need to do to move forward?

Our agency is working to process all waiting week waivers as soon as possible. If you see your first weekly certification was processed as a waiting week, you do not need to contact us to have it corrected. You will see an update as soon as this process is completed by our agency.

When should I begin filing weekly certifications?

On the Sunday after you submit your application for benefits, you should begin filing weekly certifications through your *MyBenefits portal*. You should begin certifying weekly even before you receive a final determination on your claim.

Do I have to do the two weekly work searches?

The work search requirement is waived during this period, so you may disregard the instructions on completing this task as outlined on the website; however, you must still complete your weekly certifications confirming your continued lack of work.

What if I get a notification that my payment has been stopped or delayed?

If you received a mailer or notice in your portal that benefits have been stopped due to a need for additional information, please go to the Claimant Homepage and look in the *"ISSUES DELAYING PAYMENT"* section.

If there **is** a link there that you can click on, then do so and complete any questions you see there. This will satisfy the request outlined in the notice you received. If staff have any additional questions for you, they will reach out to you.

If there is **not** a link there to click on, then staff have already taken care of the request based off the answers you provided on your application for benefits.

If this section is blank, then all issues have been resolved and you need to check your *MyDocuments* tab to see what mailers were most recently mailed out. This will give you your most up to date status.

EMPLOYMENT & WORKFORCE

I worked out of state. How does that affect my claim?

If you worked out-of-state and have received a notice in the mail or your portal says your claim is zero, this means we are still waiting on wage verification from the other state. If you are unsure if the out-of-state employer was attached to your claim, we can escalate you to a claims-taker.

How can a claimant check on the status of their claim for unemployment insurance benefits?

Once you have created an account in the Claimant Self Service Portal, you can log in to check the status of your claim or visit us at *dew.sc.gov* under the individuals tab. Below is a link regarding frequently asked question about managing your benefits.
https://dew.sc.gov/individuals/manage-your-benefits

SELF-EMPLOYED, CONTRACTORS, 1099S, ETC.

I am self-employed, contractor, gig worker, file 1099 or church employee and have been denied unemployment insurance. What do I need to do?

You were denied the regular state unemployment insurance benefits. This is the first step in the process to receive federal funds coming from the CARES Act. You are still potentially eligible for PUA which is provided through this act.

When we are able to process these applications, as per DOL guidance, you will receive a notification by email, text or phone call explaining the next steps in the process.

We have encouraged individuals to go ahead and apply in our system because, if you are eligible under PUA, the benefits will be paid retroactively.

There is nothing additional you need to do at this time.

My appeal was dismissed. I am self-employed, contractor, gig worker, file 1099 or church employee, was denied benefits, appealed the denial and have now received a letter saying that my appeal was dismissed.
