

Virtual Export Training Series

Introduction to HTS/Schedule B Classification

How do you know the classifications used by your customs broker or freight forwarder are up-to-date? How can you prove to customs that you used due diligence and reasonable care when determining your classifications? This program will help you begin to understand how to use the Harmonized Tariff System for imports and the Schedule B listing for exports. We will learn and review the 6 General Rules of Interpretation used to classify every product, learn the difference between a Schedule B & HTS number and understand how to use the CROSS- Customs ruling on-line search system.

This webinar will take place on **Thursday, August 5, 2021 from 10:00 am to Noon.**

The South Carolina Department of Commerce is providing manufacturers in the state with **complimentary registration**. Strict limit of two employees per company may register. Space is very limited. Please register by Monday, August 2nd. A link to the webinar will be provided after registration.
